

Your Commitment Guide
A listing of fitness and nutrition experts

These experts in the fields of nutrition and exercise have been specifically chosen and are aware of the special needs of bariatric patients, like yourself. They have been provided with the specific protocols set forth by Doctor Marvin and are ready to be your guide to a healthier lifestyle.

As your fitness advocate, I can make introductions for you or help you find a qualified specialist in your area. Do not hesitate *to ask any of the staff* for assistance on any topic. (sheila@doctormarvin.com)
